

4RUNNER

All Weather Floor Mats, 4 pc.

\$119

Designed to protect the vehicle's original carpeting from dirt, mud, snow and slush, the all-weather floor mats feature a multidimensional surface, custom channel design and perimeter lip that combine to keep clothing and shoes clean, dry and stain-free. All-weather floor mats are custom-fitted to the vehicle's interior and front mats are embellished with a custom-molded vehicle logo. The mats also lock firmly in place to prevent sliding.

Cargo Net

\$69

Custom-crafted for the vehicle cargo area, the cargo net is designed to hold a variety of everyday items—from groceries to athletic gear—and ensure they don't shift around or tip over. The cargo net features a hammock-style design and durable netting that attaches to defined points in the rear cargo area, making it easily accessible. The cargo net can be installed or detached in seconds, and folds flat for storage when not in use.

Door Sill Enhancements

\$189

Stylish and practical, the custom-fit, heavy gauge brushed stainless steel door sill enhancements help protect the vehicle's door sills from unsightly scuffs, marks and scratches that can occur when occupants are entering and exiting the vehicle. Featuring a custom screen-printed vehicle logo, the door sill enhancements add to the vehicle's interior appearance.

Carpeted Floor Mats, 5 pc

\$199

Custom-tailored for an exact fit, the carpet floor mats are constructed of high-grade plush nylon carpet, color-matched to the vehicle's interior and include an embroidered 4Runner logo. An aggressive underside no-slip backing features a "nib" texture and retention clip to help keep the mats in position. The mats protect the 4Runner's original carpet from premature wear and stains. They're also removable and easy to clean.

Hood Protector

\$155

Designed and engineered specifically for the 4Runner, the hood protector helps keep the vehicle's windshield and hood free of debris while driving. The hood protector also safeguards the 4Runner's hood's factory paint finish from the damage that can occur during daily use.

Front Skid Plate

\$199

Designed to help protect the 4Runner's underbody from damage that could occur as a result of flying stones, branches, ice chunks or other types of road debris, the one-piece front skid plate is made from 1/8"-thick stamped and formed silver powder coated aluminum. Black coated steel brackets provide a durable, corrosion-resistant attachment to existing vehicle body mounts and sturdy support for skid plate.

Sport Pedals

\$95

These race-inspired sport pedal pads add a custom race-inspired look to the vehicle's stock pedals—featuring a stylish combination of brushed aluminum and black rubber. Ready to install pedal pads are designed to work with the vehicle's existing pedals, and includes three-piece pad set (accelerator, brake and clutch) for manual transmission models and two-piece set (accelerator and brake) for automatic transmission models.

Exhaust, TRD, Cat Back, V6

\$599

Meticulously engineered to be street-legal, while also delivering greater power and tuned for ideal resonance, the easy-to-install TRD cat-back exhaust system adds a distinctive edge to the 4Runner. Features a stainless steel, TRD-logo-etched tip and side exit to maximize departure angle with a unique design that allows for a less restrictive exhaust path resulting in less back pressure—providing an impressive combination of increased horsepower and a deep, throaty growl.

Cold Air Intake, TRD, 4.0L V6
