### All-Weather Floor Mats, 3<sup>rd</sup> Row

**\$199**  
**\$69**

Designed to protect the vehicle's original carpeting from dirt, mud, snow and slush, the all-weather floor mats feature a multidimensional surface, custom channel design and perimeter lip that combine to keep clothing and shoes clean, dry and stain-free. All-weather floor mats are custom-fitted to the vehicle's interior and front mats are embellished with a custom-molded vehicle logo. The mats also lock firmly in place to prevent sliding.

## Carpeted Floor Mats, 5 pc.

**\$230**

Color-coordinated, custom-fit carpeted floor mats protect the Highlander's original factory carpeting, while an embroidered logo provides an added touch of style to the vehicle's interior. Constructed of durable, high-quality 16-ounce nylon carpet, the floor mats also help preserve the Highlander's quiet ride by absorbing interior cabin sound. An aggressive, non-skid backing combines with retention clips to prevent the mats from sliding out of position.

## Cargo Net

**\$69**

Custom-crafted for the vehicle cargo area, the cargo net is designed to hold a variety of everyday items—from groceries to athletic gear—and ensure they don't shift around or tip over. The cargo net features a hammock-style design and durable mesh netting that attaches to defined points in the rear cargo area, making it easily accessible. The cargo net can be installed or detached in seconds, and folds flat for storage when not in use.

## Body Side Moldings

### Running Boards

**\$689**

Designed specifically around the Highlander's unique styling cues, Highlander running boards are as attractive as they are functional. The sturdy roll-formed running boards provide easy step-in access to the vehicle and feature integrated, skid resistant step pads for secure footing at all times.

### Tow Hitch with Harness

**\$899**

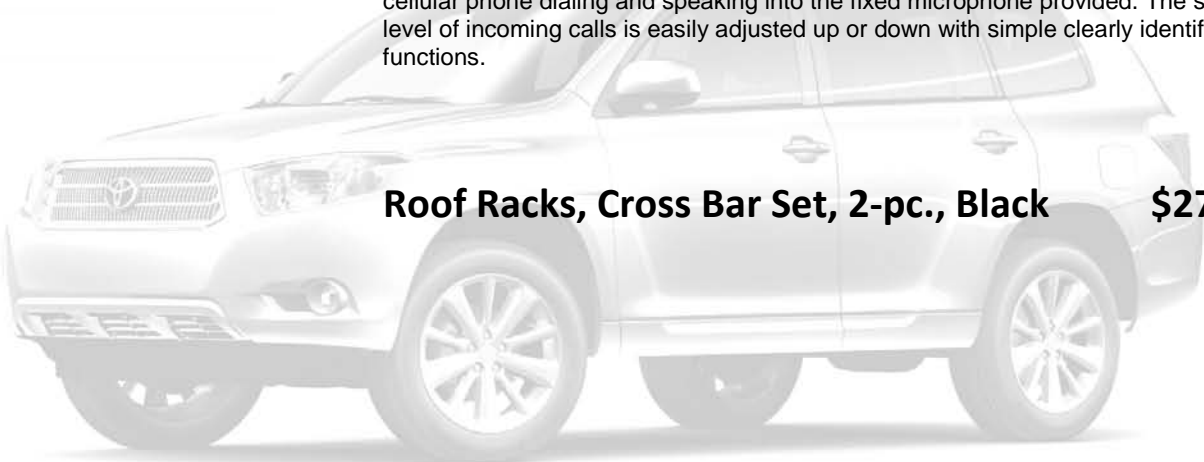

Every Genuine Toyota tow hitch features a model-specific design that's precisely engineered to achieve the vehicle's safest maximum tow rating. The tow hitch mounts to the frame of the vehicle as part of the complete Toyota towing system and is subject to an uncompromising design, testing and manufacturing process. By the time Toyota puts a towing system on a vehicle, each of its components have undergone extensive analysis and testing in order to ensure its capabilities.

### BLU Logic Hands Free System

**\$299**

TheBLU Logic<sup>®</sup> Handsfree System integrates with the factory audio system to initiate and answer cellular phone calls, enabling cell phone use that is essentially "hands free." Incoming and outgoing cellular calls are handled through the front factory speakers and a small microphone designed to capture the voices of vehicle occupants. Incoming calls are answered with the push of a button. Outgoing calls are placed by cellular phone dialing and speaking into the fixed microphone provided. The sound level of incoming calls is easily adjusted up or down with simple clearly identified button functions.
