

## All Weather Floor Mats, 6 pc.

**\$255**

The custom mat design protects your original carpet by channeling liquids away from the feet. Constructed from PVC material, it features a multidimensional surface with a custom logo, aggressive nubs and a clip to prevent sliding.

## Body Side Molding

**\$375**

Color-matched body side moldings help protect door exteriors from scratches, dents and chipping. Designed specifically to help preserve—and enhance—the vehicle's appearance.

## Cargo Mat

**\$129**

Designed specifically to help protect the Land Cruiser's cargo area from premature wear, the cargo mat is color-coordinated to the vehicle's interior and features acoustic properties that help block exterior noise and absorb interior sounds.

## Cargo Net

**\$89**

Custom-crafted for the vehicle cargo area, the cargo net is designed to hold a variety of everyday items—from groceries to athletic gear—and ensure they don't shift around or tip over. The cargo net features a hammock-style design and durable mesh netting that attaches to defined points in the rear cargo area, making it easily accessible. The cargo net can be installed or detached in seconds, and folds flat for storage when not in use.

## Hood Protector

**\$179**

Designed and engineered specifically for the Land Cruiser, the hood protector helps keep the vehicle's windshield and hood free of debris while driving. The hood protector also safeguards the Land Cruiser's hood's factory paint finish from the damage that can occur during daily use.

## Roof Rack, Ski Attachment

**\$179**

Aluminum attachment features two padded rubber profiles to securely hold your equipment in place. Integrated locks keep your skis/snowboards in the attachment and on the rack. Carries two pairs of skis or two snowboards.

## Roof Rack, Bike Attachment

**\$199**

Attaches to the roof rack, which can accommodate two bike rack attachments. Unique wheel tray holds bike in place, freeing both hands for installation. Integrated locks keep your bike in the attachment on the rack.

## Wheel Locks

**\$85**

Constructed of forged, hardened steel with triple-nickel or zinc plating, Toyota wheel locks provide inexpensive, dependable protection against wheel and tire theft—along with peace-of-mind in knowing wheels and tires are secure. Wheel locks can save vehicle owners the time and expense of replacing their wheels and tires, while also helping protect against additional vehicle damage that can occur during theft. Not to mention protection from being stranded away from home or having to pay out-of-pocket insurance deductibles. Wheel locks are available in kits of four or five (the 5<sup>th</sup> lock is for exterior mounted spares).

## Wireless Head Phones

**\$80**

Fully adjustable wireless headphones with cushioned padding complement the vehicle's rear seat entertainment system with rich, dynamic sound quality.
