**\$99**

### **All-Weather Floor Mats, Black, 4-pc.**

**\$149**

Designed to protect the vehicle's original carpeting from dirt, mud, snow and slush, the all-weather floor mats feature a multidimensional surface, custom channel design and perimeter lip that combine to keep clothing and shoes clean, dry and stain-free. All-weather floor mats are custom-fitted to the vehicle's interior and front mats are embellished with a custom-molded vehicle logo. The mats also lock firmly in place to prevent sliding.

### **Bed Mat**

**\$145**

This heavy weight bed mat is as tough as the Tacoma, providing superior abrasion resistance and tear strength that can take the punishment of daily use—even in harsh environments and extreme temperatures. The bed mat features a custom-molded fit to the Tacoma, a stylish pebble finish that helps restrict shifting of cargo and raised ribs that run the length of the truck bed to facilitate easy loading of cargo. And an optional tailgate cover is sold separately.

### **Bed Extender**

**\$299**

The Genuine Toyota Bed Extender, designed specifically for Toyota trucks, performs double-duty for truck owners—extending usable cargo length by approximately two-feet when rotated outward over the tailgate, while providing a convenient enclosed cargo area when rotated inward toward the cab.

### **Carpet Floor Mats, 2 pc**

**\$99**

### **Carpet Floor Mats, 4 pc**

**\$149**

Custom-tailored for an exact fit, the carpet floor mats are constructed of high-grade plush nylon carpet, color-matched to the vehicle's interior and include an embroidered Tacoma logo. A retention clip helps keep the mats in position, keeping them from sliding. The mats protect the Tacoma's original carpet from premature wear and stains. They're also removable and easy to clean.

### **Door Sill Protectors, 2-pc.**

**\$89**

The tough, black-molded construction helps provide added protection to the door sill area against everyday scuffs and scrapes. Featuring a skid resistant surface and the "Tacoma" name molded into the sill, the door sills help provide a long-lasting, new vehicle appearance.

### **Exhaust, TRD, Cat-Back, Single Outlet**

**\$599**

Meticulously engineered to be street-legal, while also delivering greater power and tuned for ideal resonance, the easy-to-install TRD cat-back exhaust system adds a distinctive edge to the Tacoma. Features a stainless steel, TRD-logo-etched tip and side exit to maximize departure angle with a unique design that allows for a less restrictive exhaust path resulting in less back pressure—providing an impressive combination of increased horsepower and a deep, throaty growl.

## Front Skid Plate, PreRunner & 4X4

**\$279**

Designed to help protect the Tacoma's underbody from damage that could occur as a result of flying stones, branches, ice chunks or other types of road debris, the one-piece front skid plate is made from 1/8"-thick stamped and formed silver powder coated aluminum. Black coated steel brackets provide a durable, corrosion-resistant attachment to existing vehicle body mounts and sturdy support for skid plate.

## Hood Protector

**\$179**

Designed and engineered specifically for the Tacoma, the hood protector helps keep the vehicle's windshield and hood free of debris while driving. The hood protector also safeguards the Tacoma's hood's factory paint finish from the damage that can occur during daily use.

## Roof Racks, Stowaway, Double Cab

**\$459**

Features industry first storable cross bars that unfold to a locked position for use and then can be stowed in line with the rails when not in use. Load limit is 75 lb. Available on D-cab only.

## Running Boards, Black, Access Cab

## Receiver Hitch, with harness

**\$599**

Every Genuine Toyota tow hitch features a model-specific design that's precisely engineered to achieve the vehicle's safest maximum tow rating. The tow hitch mounts to the frame of the vehicle as part of the complete Toyota towing system and is subject to an uncompromising design, testing and manufacturing process. By the time Toyota puts a towing system on a vehicle, each of its components have undergone extensive analysis and testing in order to ensure its capabilities.

## Wheel Locks

**\$99**

Constructed of forged, hardened steel with triple-nickel or zinc plating, Toyota wheel locks provide inexpensive, dependable protection against wheel and tire theft—along with peace-of-mind in knowing wheels and tires are secure. Wheel locks can save vehicle owners the time and expense of replacing their wheels and tires, while also helping protect against additional vehicle damage that can occur during theft. Not to mention protection from being stranded away from home or having to pay out-of-pocket insurance deductibles. Wheel locks are available in kits of four or five (the 5<sup>th</sup> lock is for exterior mounted spares).
