

### All Weather Floor Mats, 2 pc.

**\$85**

### All Weather Floor Mats, 4 pc.

**\$175**

Designed to protect the vehicle's original carpeting from dirt, mud, snow and slush, the all-weather floor mats feature a multidimensional surface, custom channel design and perimeter lip that combine to keep clothing and shoes clean, dry and stain-free. All-weather floor mats are custom-fitted to the vehicle's interior and front mats are embellished with a custom-molded vehicle logo. The mats also lock firmly in place to prevent sliding.

### Auto Dimming Mirror

**\$380**

The automatic-dimming inside mirror relieves drivers from enduring the full glare of headlights from vehicles behind them through the use of two sensors attached to the mirror: a forward-facing light detection sensor, which detects the lighting conditions surrounding the vehicle; and the rear light detection sensor, which detects the light that strikes the inside mirror from behind the vehicle. During nighttime driving, if a difference in intensity exists between the surrounding light and the light reflected off the inside mirror, the auto-dimming feature automatically reduces the reflection rate of the inside mirror to dampen the glare and improve the driver's rear view.

### Bed Liner w/o Deck Rails

**\$429**

### Bed Liner with Deck Rails

**\$459**

The Toyota Skid Resistor Bedliner provides proven, superior bed protection and a precision-engineered fit through exclusive material formulation and advanced co-extrusion technology. Features a ribbed I-beam floor construction with superior impact resistance, optimal thickness and thick-ribbed/high-density polyethylene material that stands up to scrapes, scuffs, scratches and chemicals. No-drill, no-scuff installation makes the Skid Resistor Bedliner preferable to spray-on coatings that may require "scuffing" that compromises the truck bed's corrosion resistance (and warranty). Plus the Skid Resistor Bedliner is manufactured from 100 percent recyclable materials.

### Bed Mat

**\$169**

This heavy weight bed mat is as tough as the Tundra, providing superior abrasion resistance and tear strength that can take the punishment of daily use—even in harsh environments and extreme temperatures. The bed mat features a custom-molded fit to the Tundra, a stylish pebble finish that helps restrict shifting of cargo and raised ribs that run the length of the truck bed to facilitate easy loading of cargo. And an optional tailgate cover is sold separately.

### Bed Extender

**\$395**

The Genuine Toyota Bed Extender, designed specifically for Toyota trucks, performs double-duty for Tundra owners—extending usable cargo length by approximately two-feet when rotated outward over the tailgate, while providing a convenient enclosed cargo area when rotated inward toward the cab.

### Cargo Net – Exterior

**\$59**

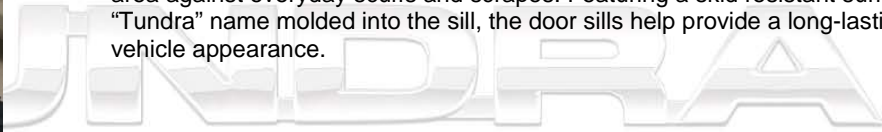

Custom-crafted for the Tundra's truck bed, the cargo net is designed to hold a variety of everyday items—from groceries to athletic gear—and ensure they don't shift around or tip over. The cargo net features a hammock-style design and durable elastic-mesh netting that attaches to defined points at the front of the truck bed, making it easily accessible. The cargo net can be installed or detached in seconds, and folds flat for storage when not in use.

### Door Sill Protector

**\$79**

The tough, black-molded construction helps provide added protection to the door sill area against everyday scuffs and scrapes. Featuring a skid resistant surface and the "Tundra" name molded into the sill, the door sills help provide a long-lasting, new vehicle appearance.

### Front Skid Plate

**\$489**

Designed to help protect the underbody from damage that could occur as a result of flying stones, branches, ice chunks or other types of road debris, the front skid plate is made from 1/8"-thick stamped and formed silver powder coated aluminum. Powder-coated black steel brackets provide a durable attachment directly to existing vehicle body mounts and sturdy support for skid plate.

### Hood Protector

**\$198**

Designed and engineered specifically for the Tundra, the hood protector helps keep the vehicle's windshield and hood free of debris while driving. The hood protector also safeguards the Tundra's hood's factory paint finish from the damage that can occur during daily use.

### Molded Dash Applique

**\$395**

High-gloss simulated burl wood molded dash appliqué kit includes molded center dash piece, Center Shift Console and all four doors. Manufactured with advanced thermal forming, the appliqué kit is precision-designed and manufactured for accuracy of fit, creating a uniquely elegant appearance integrated throughout the Tundra interior.
